Tuesday, June 29, 1:00 a.m.

Popcorn and beverage served.

Bald Beatrice the Baby Mermaid

Thursday, July 1, 1:00 pm

Theatrical storyteller, Victoria O'Neill playfully engages the audience with participatory fun! Use handmade puppets, wear fish tails or mermaid ribbons and set the stage for a rip-roaring sea adventure. (Ages 3 & up)

Water is Wide!

Monday, July 5, 6:30 p.m.

Explore water through a story, songs and interactive experiments. Learn how water affects our local and global community from the largest of oceans to the smallest of raindrops. (Family)

Songs and Stories of Old Sailing Days

Monday, July 12, 6:30 pm

Matthew Dodd takes the audience on a trip back to the days of sailing ships through songs, ballad yarns, true tales and sea shanties. (All ages)

Ancient Undersea Reptiles

Wednesday, July 21, 1:00 pm

Explore life in the seas 70 million years ago with Molly the Mosasaur. (Ages 6 & up)

Family Movie Matinee: *Free Willy*

Tuesday, July 27, 1:00 a.m.

Popcorn and beverage served.

Concert: Bravura Brass

Thursday, July 29, 7:00 p.m.

The Bravura Brass keeps the audience afloat with their interactive music, “Splish Splash Brass!” *Sponsored by Susquehanna Bank*

Flow Circus

Monday, August 2, 1:00 pm

Enjoy Paul Miller’s one man show with juggling, magic and comedy appropriate for the whole family. Don’t miss the twirling, tossing, laughs, fun and audience participation too! (All ages)

Wetland Wonders

Monday, August 9, 1:00 pm

Join Sallie Gregory, educator, Lancaster Co. Conservation District to learn how wetlands are critical to plants, animals and humans through hands-on activities, more!
(Kindergarten & up)

Concert: From the Well

Saturday, August 14, 7:00 p.m.

Water your mind! From the Well, a band that plays homegrown Celtic and American-centered folk music drawing its sound from twin hammer dulcimers, fiddle, cello, assorted whistles, guitar, and frame drums. *Sponsored by Susquehanna Bank*

Wonders of Water

Tuesday, August 17, 10:00 am

From molecules to rainbow glasses, invisibility spheres and bubbles—learn, see and have fun with “all-water science” with Judy Bower, science educator – make ‘snow’ too!

Family Movie Matinee: *Shark Tale*

Tuesday, August 24, 1:00 a.m.

Popcorn and beverage served.
